this answer book provides answers to the questions in the aqa gcse biology workbook

fully revised and updated content matching the Cambridge International AS & A Level Biology syllabus 9700. The Cambridge International AS & A Level Biology Workbook with CD-ROM supports students to hone the essential skills of handling data, evaluating information and problem solving through a varied selection of relevant and engaging exercises and exam-style questions. The workbook is endorsed by Cambridge International Examinations for learner support. Student-focused scaffolding is provided at relevant points and gradually reduced as the workbook progresses to promote confident independent learning. Answers to all exercises and exam-style questions are provided on the CD-ROM for students to use to monitor their own understanding and track their progress through the course.

This edition of our successful series to support the Cambridge IGCSE Biology syllabus 0610 is fully updated for the revised syllabus for first examination from 2016, written by an experienced teacher and examiner. Cambridge IGCSE Biology Workbook helps students build the skills required in both their theory and practical examinations. The exercises in this workbook help to consolidate understanding and get used to using knowledge in new situations, develop information handling and problem solving skills and develop experimental skills including planning investigations and interpreting results. This accessible book encourages students to engage with the material. The answers to the exercises can be found on the Teacher's Resource CD-ROM.

Provides suggested answers to all the activities in the workbook. You receive one free copy with your first order of five or more workbooks.
