shadowhand and mental dominance

after writing i want what they ve got which gives a plan for all round self improvement i felt there was a need for a book which dealt more specifically with presence and leadership hence how you can command respect and be loved for it this book is for people who wish to become more assertive and more respected and is full of exercises and tips to raise your social status for example in a conversation where you wish to impress you probably agree a lot of the time which you know will generate rapport if you disagree sometimes you will show that you have your own mind and may stimulate more conversation agreement is compliance which generates rapport disagreement generates status careful balance is needed people may bully you using presuppositions to lower your status presuppositions are nasty put downs which are hard to respond to quickly examples you know you can t do it or do you realize you re letting the team down this book examines presupposition patterns with many exercises and examples enabling you to respond to them quickly and effectively if you wish to speak to a busy person you risk being nervous speaking too quickly and losing status you can make them want to hear your words also you can use this being busy phenomena to your advantage this book is full of exercises tips eye openers and social dynamics to change your life for the better for ever

this book has been replaced by treating survivors of childhood abuse and interpersonal trauma second edition isbn 978 1 4625 4328 1

god wants us to have richer biblical insight have you ever wondered how to get the most out of your bible reading do you want deeper insight into the meaning of the lord s prayer this book covers five key ways of interpreting the bible that will enrich your understanding of it many other ways to better understand the bible are explained in an appendix in hints from the lord s prayer we go through the lord s prayer primarily using these five main methods for correctly analyzing scripture we show how to better interpret the bible to get a fuller comprehension of it in addition many parts of the lord s prayer come alive as you realize there are suggested truths that you have not seen to give a few examples there are hints about ways we err by using magical practices in our relationship with god that we are to focus on what god has specifically appointed for us to do each day how forgiving others also means we forgive ourselves and how being delivered from evil includes being delivered from the evil eye a lot of believers don t know how to obey the command to

accurately interpret the bible 2 tim 2 15 errors or shallow understanding are the result using these sound methods gives us eye opening insights about the prayer it also gives practical help on how to use these crucial approaches for other parts of the bible these tools can revolutionize your spiritual life

this book provides techniques hints and examples that help you improve your people skills we have developed a hypothesis as to the benefits of this book developing people skills can be likened to a snowball effect the more you are able to improve your feedback from others the more confident and happy you become spreading this confidence and happiness to others improves your likeability and creates a large positive aura around you thus better people skills continue to develop

learn how to harness the power of personal impact so you can earn more live more and be more impact is everything it gives us huge competitive advantages as we impress others and are remembered when it matters the most it gives us the confidence to succeed and achieve our personal and professional goals and enables us persuade and influence others so we can get what we want when we want this book will show anybody how to use the power of impact to make a great first impression raise their profile secure that promotion land their dream job be the person everyone remembers make amazing presentations and impress everyone they meet in any situation covering topics such as confidence and positive thinking this book is relevant to everyone from graduates to top managers and everyone else in between

learn how to best make your influence present with or without much authority

law enforcement officers face difficult challenges in light of the new social environment in which they must work with additional public scrutiny on police tactics and interviewing methods new techniques must be developed to address the changing political and social landscape interviewing and interrogating methods must change in concert with the increased focus on community policing and the public demand to take a softer approach to interviewing and interrogation the new edition of this book presents positive interviewing techniques to conduct less intrusive non threatening interviews and interrogations without forfeiting investigative integrity positive interviewing techniques focus on rapport building which serves as the keystone for successful interviews and interrogations suspects and

witnesses who like the people who are interviewing them are more likely to confess or provide information of value positive interviewing relies on psychological principles instead of threats and coercion to obtain needed information the psychological principles presented in this book derive from proven psychological research and have been proven effective in the field as with the previous book editions this edition was written with working professionals in mind and contains advanced interviewing techniques some basic topics emphasized in other interviewing books will not be addressed this book was designed as a quick reference guide rather than a comprehensive manual the enhanced outline format of the text and the extended table of contents provide for easy reference reading and comprehension the marketplace is replete with interviewing books and manuals however quickly locating information buried in thick manuscripts is costly and time consuming the style of this book is consistent with the manner in which law enforcement officers like to receive information quickly authoritatively and to the point

no extra burden is a theological breakdown of what god requires for eternal life in heaven its 11 easy to read chapters are filled with biblical examples testimonials and commentary analysis that ultimately suggest god gives grace and mercy to even those living in considerable error the book delves into many controversial topics sex before marriage divorce drinking homosexuality creation people of other religions and more it will teach you how to grow exponentially in many key spiritual areas such as love compassion and grace by applying key biblical principles to live out a more christ like approach in just 11 chapters know what god requires for eternal life and be more enriched spiritually by having an understanding of how to live out the grace and mercy god so freely gives to us
