every faith in the world is based on fabrication that is the definition of faith acceptance of that which we imagine to be true that which we cannot prove every religion describes god through metaphor allegory and exaggeration from the early egyptians

through modern sunday school metaphors are a way to help our minds process the unprocessable the problems arise when we begin to believe literally in our own metaphors religious allegory has become a part of the fabric of reality and living in that reality helps millions of people cope and be better people

first published by cambridge in 1820 this volume is derived from watson s renowned late eighteenth century defence of biblical values from the perceived irreligion of thomas paine s the age of reason this important book will be of value to anyone interested in the history of religious and political thought

no medieval writer reveals more about early english drama than john lydgate claire sponsler contends best known for his enormously long narrative poems the fall of princes and the troy book lydgate also wrote numerous verses related to theatrical performances and ceremonies this rich yet understudied body of material includes mummings for london guildsmen and sheriffs texts for wall hangings that combined pictures and poetry a corpus christi procession and entertainments for the young henry vi and his mother in the queen s dumbshows sponsler reclaims these writings to reveal what they have to tell us about performance practices in the late middle ages placing theatricality at the hub of fifteenth century british culture she rethinks what constituted drama in the period and explores the relationship between private forms of entertainment such as household banquets and more overtly public forms of political theater such as royal entries and processions she delineates the intersection of performance with other forms of representation such as feasts pictorial displays and tableaux and parses the connections between the primarily visual and aural modes of performance and the reading of literary texts written on paper or parchment in doing so she has written a book of signal importance to scholars of medieval literature and culture theater history and visual studies

this book that investigates the character of the peshitta in psalms 90 150 is designed as a tool for scholars who seek to understand the readings preserved in the peshitta questions as the theology of the translation the identity of the translators and the relationships among the manuscripts are also raised

in popular presentation some treat the bible as a reliable source for the history of israel while others suggest that archaeology has shown that it cannot be trusted at all this volume debates the issue of how such widely divergent views have arisen and will become an essential source of reference for the future
